Dinsmore is pleased to offer its 2025 Scholarship Program in partnership with Lockheed Martin

Diversity is a core value and a prime ingredient of everything we do as Dinsmore attorneys. We know that assembling teams of lawyers with diverse backgrounds and viewpoints is essential to the excellent service and results we provide our clients.

Dinsmore is proud to offer a unique opportunity for a first-year law student to split their summer associate experience between Dinsmore and global aerospace and defense company Lockheed Martin. One Dinsmore scholarship recipient will be a salaried Dinsmore summer associate, who will spend up to 6 weeks interning with Lockheed Martin's corporate legal department. The recipient will also receive from Dinsmore a scholarship of up to \$7,500, a housing stipend, and be assigned a mentor at Dinsmore who will serve as a dedicated resource for professional development. We seek applicants with a strong record of academic or professional achievement, demonstrated leadership, and a meaningful commitment to diversity.

Interested first-year students must apply for this opportunity by January 31, 2025.

Please pass this information along to your students. We look forward to reviewing their applications.

Sincerely,
