

## Kayla Stephens

Associate  
[kayla.stephens@dinsmore.com](mailto:kayla.stephens@dinsmore.com)

Cleveland, OH  
Tel: (216) 413-3838

Kayla is admitted to practice before the United States Patent and Trademark Office and focuses on the preparation and prosecution of patents in the U.S. and abroad. Her legal experience includes handling patent matters for domestic and international clients involving various technologies in the chemical, material, and mechanical arts. Prior to entering the legal profession, Kayla worked as an engineer for a global corporation. She has a varied technical engineering background, including experience in the polymer, hydraulic, automotive, welding, and ceramic industries.
